

This is the time of year that people are getting their groups and/or families organized for their Fishing and Hunting trip for the upcoming season. The businesses that welcome you also start their planning. Whitefish Bay Camp is certainly among them. We have numerous lists getting longer by the day of projects that we want done and shopping lists for items we will need to work on those projects. We have a good start on our reservation book and have sent out our yearly Newsletter to our past guests. We have already gotten our sport show booth out and set up to see what needs doing in order to present an orderly place for people to come to gather information .

We suggest that those who have not already made up their minds where they want to visit this year plan to attend at least one of the many Sport Shows that come to their areas. Come equipped with your list of wants and needs and your questions about what each business has to offer. Every place is different and it is a matter of matching what they have to offer to what you are looking for....kinds of fish or game....types of accommodations that are offered....location...distance from home....meal plans and so on and most importantly what is included and what is not included in whatever plan is offered, this can vary greatly from one business to another.

We think one of the very best sport shows ever is the series that the All-Canada Show presents. They have 11 show this year and Whitefish Bay Camp, located on Lake of the Woods will be a part of all 11 of them. We can offer you the best fishing and hunting that Ontario, Canada has to offer. Fishing for Muskie, Walleye, Northern Pike, Smallmouth Bass, Largemouth Bass, Whitefish, Lake Trout and Crappie and hunting for Whitetail Deer, Grouse, Black Bear and Duck is just waiting for you to try your hand.

We hope you will put us on your list of people to talk to at the Sport Shows you attend. We suggest that you go to our website and look for the Sport Show that we will attend that is closest to you. You will find a button on the left of our opening page and titled Sport Shows. Go to the following: <http://www.whitefishbaycamp.com> and start your preparation for a great trip! If you prefer you can call us at our toll free number 1-877-226-1211.
