

Whitefish Bay Camp on beautiful Lake of the Woods in Ontario is singing a new tune...Off We Go Into the Wild Blue Yonder...well, as far as Missouri for this leg of the journey.

The All-Canada Show tour starts off with a bang in St. Louis, MO on Friday, Jan 8,2010. We always look forward to the Sport Shows as they give us a opportunity to talk about the great Northern Pike, Walleye, Bass, Lake Trout, Muskie and Crappie fishing our guests can find in Lake of the Woods. Of course many of the people who come our booth at the series of shows that we do want to also talk about the Whitetail, Moose, Black Bear and Duck hunting we have to offer.

All the conversation serves to remind us that Spring is on the way and it makes us yearn to get back to our island resort. Whitefish Bay Camp is a beautifully located boat-in resort , just a five mile boat trip from our private parking area on the mainland. For this reason we are able to offer the experience of remoteness without the plane flight. Nestor Falls and Sioux Narrows in Ontario are wonderful small towns that offer people good shops for places to grab a bite to eat, something to take your thirst away, groceries, gifts, the very latest in lures and baits as well as information about the goings on in the area.

Whitefish Bay Camp, located in the Sunset Country Tourism Area of Northwestern Ontario, offers several plans for guests to pick from as well as discounts for larger groups and a very popular Family Discount. Our cottages are modern and many of them are newly remodeled for your comfort while maintaining the laid back campfire atmosphere that is so relaxing!
